## Historically Black Colleges & Universities (HBCUs)

*In an effort to promote partnership building as a strategy for broadening participation in STEM fields, this list provides the names and locations of HBCUs, along with links to STEM-related programs (relevant academic programs, grants, networks, student organizations, recruitment/retention/support programs, community outreach initiatives, etc.) within these institutions. We encourage you to research the programs at Minority Serving Institutions to gain a sense of the work being done in those specific contexts and to explore possibilities for collaboration.*
